WORK EXPERIENCE

Acadian Ambulance
Emergency Medical Technician

July 2024 - Present
Covington, LA

- Respond to emergency 911 calls, providing critical pre-hospital care and transportation for patients experiencing medical, traumatic, and psychiatric emergencies
- Operate independently and as a team in high-pressure, field-based environments requiring rapid problem-solving and decision-making
- Maintain accurate documentation and compliance with strict regulatory standards
- Assess patient conditions and implement appropriate interventions in time-sensitive situations, improving patient outcomes
- Top 10 Nominee, EMT of the Year 2026

AT&T
Installation Technician

January 2024 - May 2024
Covington, LA

- Installed and activated high-speed internet, Wi-Fi, and voice services in residential environments
- Diagnosed and resolved connectivity issues including signal loss, faulty lines, and network configuration errors
- Performed line testing, cable runs, and hardware replacements to restore service efficiently
- Educated customers on Wi-Fi setup, device connectivity, and network optimization
- Maintained strict adherence to safety protocols while working on ladders, in confined spaces, and around electrical systems

Olive Branch Cafe
Assistant General Manager

August 2016 - January 2024, June 2024
Marrero, LA

- Oversaw daily operations of a \$2M+ revenue restaurant while supervising and training 25+ employees to maintain service efficiency and performance standards
- Resolved customer issues in real time, maintaining high service standards and de-escalating conflicts effectively
- Analyzed weekly financial reports and monitored labor costs, implementing strategies to improve efficiency and profitability
- Maintained team performance and service quality by promoting teamwork and open communication, resulting in improved employee retention and customer satisfaction
